## **The Valley of the Sun (A C&M Presents Exclusive)**

**Sunday, October 25, 2026 – Thursday, October 29, 2026**

**The desert Southwest is an amazing place, unlike anything we are used to in Wisconsin. We usually think about golf, spring training and sitting at the pool when we think about Arizona – but it is so much more than that. We invite you to join us for this 5 day/4 night excursion to the Valley of the Sun where we will explore the history, culture, geography and cuisine of this beautiful area.**

**Everyone asks – why go in October? The weather is extraordinary (80's daytime, 60's in the evenings), there are lots less tourists so places are not crowded and prices on everything (hotels, flights, shops) are less expensive. It's the ideal time to travel with a group – so don't miss this opportunity to explore with us.**

### **About the Trip**

#### **Welcome to the Valley of the Sun (Sunday, October 25, 2026)**

Upon arrival from the airport guests will arrive and get settled at our beautiful headquarters in North Scottsdale. The Hyatt Place has lovely rooms with spectacular views reserved for us to enjoy. That day will be all about getting settled in and exploring on your own. That evening, a welcome activity will get you acquainted with fellow travelers while we enjoy some food and drink. We'll talk all about our schedule and prepare you for our adventures.

#### **Trip Details (Monday, October 26 – Wednesday, October 28)**

The next three days are all about exploring the Valley of the Sun and all it has to offer. Our travels will take us deep into the Sonoran Desert, into the mountains and through the canyons. We'll take in history, culture, agriculture, cuisine and SHOPPING. We'll enjoy some great meals together and also give you some down time to relax and enjoy at your own pace. And you know we will have some surprises in store too!!
